Subject: **EEC - DUTY FREE HEALTH WARNINGS**

Attached is a copy of yet another letter from one of our competitors disagreeing with our policy on Duty Free health warnings.

I would appreciate your letting me know :

a) Status of this project as far as PM is concerned, i.e., what health warnings, what language, what attribution and timing of implementation.

b) Concrete arguments I can use vis-à-vis our competitors for our change of policy.

Many thanks.

Walter Thoma
